

PASSENGER TERMINAL AMSTERDAM

Your gateway to success

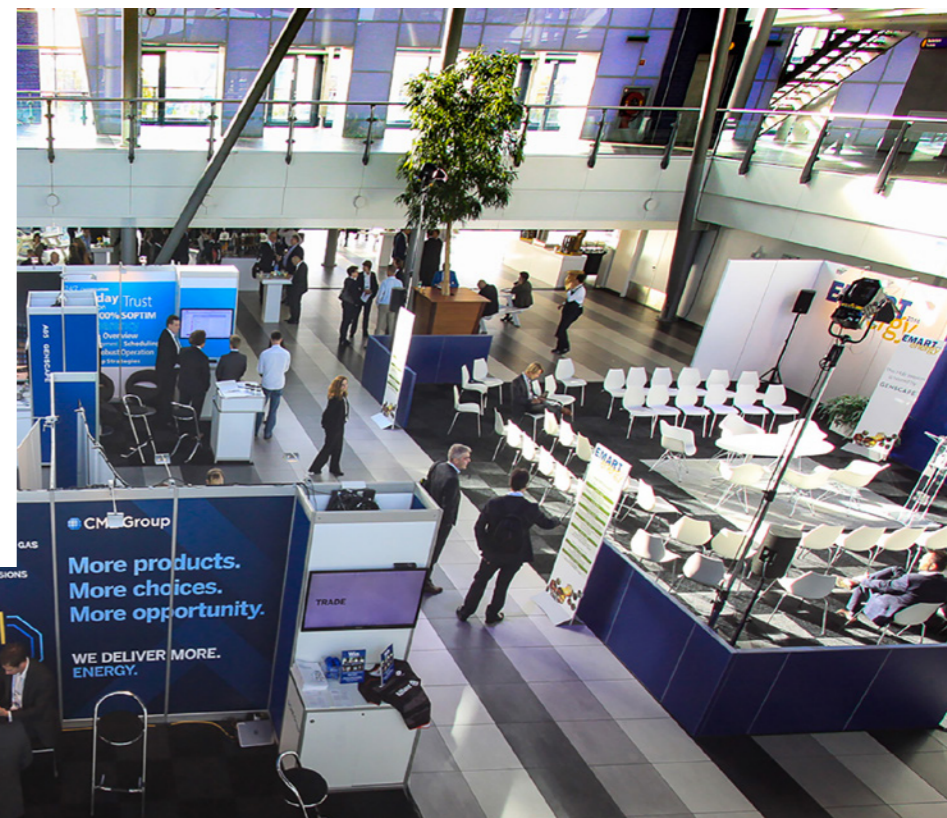

The banks of the river IJ have been the centre of activity in Amsterdam for centuries. Here lie the foundations of the history of our capital. Right there you will find the perfect spot for your event. A perfect location with allure that offers your guests a unique experience. **PTA is your gateway to success.**

Passenger Terminal Amsterdam is **the event location** in the heart of Amsterdam boasting spectacular views over the river IJ, city centre and outstanding parking facilities. The transparency and open character of the location not only provides a splendid backdrop to your event, but offers you the possibility of adapting and decorating the venue entirely according to your wishes and requirements. From dinners and receptions to large scale exhibitions, congresses and staff parties, our experience with events guarantees professional guidance.

PTA is part of a successful collaboration between four diverse music and hospitality organizations at the river IJ that has resulted in the creation of ijVENUES. This cooperation is characterized by its unique and broad cultural network. Conferences and events of up to 5.000 participants, of which 1.250 in plenary sessions, more than 20 break out rooms and more than 4.000 m² of meeting space are available.
